Council Purpose: The council is the vital link between the University of New Hampshire Cooperative Extension (UNHCE) and the local county and its communities. It functions most effectively when its members freely exchange and solicit ideas, identify major community needs, help implement programs that best meet these local needs and otherwise help people put knowledge and research to work. The Council is made up of 12 members who:

1. Are committed to the educational mission of the UNHCE.
2. Understand the educational objectives and methods of Cooperative Extension.
3. Are interested in addressing the major issues and needs of the county.
4. Are broadly representative of the geographic, social and cultural aspects of the county.
5. Attend and participate in regularly scheduled meetings.

Council Responsibilities: UNHCE County Advisory Council members are expected to:

1. Participate in orientation and other educational opportunities concerning policies, programs, marketing, and support of UNHCE activities.
2. Attend regular meetings of the Council.
3. Assist in the recruitment, employment and evaluation of the Extension Educators.
4. Assist the County Office Administrator and Extension Educators in identifying and prioritizing program objectives based upon county needs.
5. Assist in promoting UNHCE programs.
6. Assist in the development and oversight of the UNHCE county budget.
7. Approve suitable office facilities, in cooperation with the County Commissioners and County Manager.
8. Optional – serve as an officer, member of the Finance Committee, or as a member of the UNHCE State Advisory Council.
 - The role of the UNHCE Advisory Council Member requires a real commitment; however, the rewards are great. As a volunteer, you will find satisfaction in being an important part of excellent UNHCE programs.

Members: The UNHCE Advisory Council consists of 12 members. These twelve individuals assist with the identification of the educational needs of county residents and relate them to how UNHCE can meet those needs. The Council member term is two years beginning January 1. A Council member may serve only three (3) two-year terms consecutively.

Meetings: Council meetings are held six times per year. Please contact the UNH Cooperative Extension, 24 Main Street, Newport, NH 03773, Tel. 863-9200 and/or Fax. 863-4730, for further details.
